

WEST CENTRAL MIDDLE SCHOOL

SIXTH GRADE

Ms. Tellinghuisen & Ms. Payne

<http://angelatellinghuisen.weebly.com/>

Reading: Literature Circle Week 3 will take up most of our week. We'll have a couple mini-lessons focusing on making connections and vocabulary. Lit Circle books and round 3 jobs will need to be finished by Monday/Tuesday.

Language Arts: We're finishing up argumentative writing in language arts. Rough drafts of letters will be due Wednesday, and final drafts will be due Friday. Spelling test 19 will be next Tuesday.

Mr. Wolles

<https://sites.google.com/site/wollesushistory/>

History: We will be creating a presentation on Roman emperors.

Language Arts: We will be starting a unit on argumentative writing.

Ms. Peters & Ms. Payne

<http://joancpeterswcms.pbworks.com>

Language Arts: We will be working on finding facts, examples, and reasons to support our claim for our argumentative essay. Subject and object pronouns will also be studied and how to use them correctly in our speech and writing.

Important Dates

May 20 - HS Graduation 2:00 pm

May 23 - Early Dismissal 1:30pm

Last Day of School

Ms. Harmon & Mr. Evans

<http://nicoleharmon.weebly.com/index.html>

Math: Students will be reviewing our Algebra unit with a study guide and test at the end of the week. Please let me know if you have any questions.

Pre-Algebra Class

6th grade students will have the opportunity to be potentially placed in the 7th grade pre-algebra class for next year. They will be evaluated with a rubric based on the following criteria:

- Timed math placement test
- SmarterBalanced test scores
- Current classroom performance
- Teacher recommendation

Please let me know if you have any questions. ~ Mrs. Harmon

Language Arts: Students will continue to work on their argumentative writing unit with drafting, revising, and editing for their final draft. We will continue to work on spelling and correcting errors in sentences as well as start working on figurative language.

Mr. Heck & Mr. Caffrey

<http://davidheck.weebly.com/>

Science: We'll be spending time learning about the many sources of energy. These sources include both the renewable-sunlight, moving water, wind, biomass, and geothermal, and the nonrenewable-fossil fuels and nuclear.

Computers: We continue this week with our project: History of Technology.
