WEST CENTRAL MIDDLE SCHOOL
SIXTH GRADE

Ms. Tellinghuisen & Ms. Payne
http://angelatellinghuisen.weebly.com/

Reading: We are just about to Discussion Day 1 for literature circles. So far the 6th graders have done a fantastic job! Our Week 2 Discussion day will take place next week.

Language Arts: In language arts we have just begun our argumentative letter unit. Students have chosen a topic and will begin research later this week. We've also been reviewing homophones and pronouns.

Mr. Wolles
https://sites.google.com/site/wollesushistory/

History: We will be continuing our study on Ancient Rome. We will be reviewing some reading strategies that we have used this year.

Language Arts: We will be starting a unit on verbs. We will also be working on argumentative writing.

Ms. Peters & Ms. Payne
http://joancpeterswcms.pbworks.com

Language Arts: We are working on argumentative writing and pronouns.

Headphones

All students will need to have headphones at school to help with testing. We will have a practice day next week and will be testing on April 11-12 and April 19-20. Please check with your student!

Thanks,
6th grade team

Ms. Harmon & Mr. Evans

Math: Students will working with the practice tests for math to prepare for the Smarter Balance Test. All students have access to the videos used in class in the Geometry & Algebra google classroom. Please let me know if you have any questions.

Language Arts: Students will continue to work on researching for their argumentative writing unit. We will also continue our work with pronouns and start working on figurative language.

Mr. Heck & Mr. Caffrey
http://davidheck.weebly.com/

Science: This week in science, we'll be putting our knowledge of energy and elastic potential energy to use. Students will be building a catapult, and compete against others in relation to accuracy and distance.

Computers: In computer class, we will be starting our next project dealing with how technology has become so routine for us, that we sometimes take it for granted. What would we do if technological devices were not in our lives? Could we manage without it? More about this in the coming weeks.

Important Dates

April 11-12 Testing!
April 13 - Early Dismissal
April 14 - No School
April 17 - No School
April 19-20 Testing!
