

# WEST CENTRAL MIDDLE SCHOOL

## SIXTH GRADE

### Ms. Tellinghuisen & Ms. Payne

<http://angelatellinghuisen.weebly.com/>

**Reading:** In reading this week we will use the text of "Face your fears and scares the phobias out of your brain" to continue working on paragraph shrinking. This requires both the workbook and the textbook. I'm continuing to see a lot of improvement from all students on this skill!

**Language Arts:** In language arts we are writing an expository paragraph about what we did on our Thanksgiving break using transition words. Our next spelling test will be Friday.

### Mr. Wolles

<https://sites.google.com/site/wollesushistory/>

**History:** We are continuing our study of the Ancient Israelites with a project on life in Israel. Quiz on Chapter 3 Section 2 on thursday/Friday..

**Language Arts:** We are continuing with expository writing and proper paragraph formatting by writing a paragraph using transition words about what we did for our Thanksgiving break.

### Ms. Peters

<http://joanpeterswcmcs.pbworks.com>

**Language Arts:** We are studying expository writing and will introduce nouns this week.

### Important Dates

**Nov 29 - Mid Term grades posted**

**Dec 13 - Early Dismissal**

### Ms. Harmon & Mr. Evans

<http://nicoleharmon.weebly.com/index.html>

**Math:** Students will be taking a quiz on fraction operations (addition, subtraction, multiplication, & division). We will also be working on word problems in class as well as the conversion to decimals. Please contact me if you have any questions.

**Language Arts:** We will be continuing to work on correcting errors in sentences, writing zone, and spelling with test on Friday. We will continue to working on the different parts of an expository essay.

### Mr. Heck & Mr. Caffrey

<http://davidheck.weebly.com/>

**Science:** Students will be working with our Review of Literature (Research Paper) for our science fair projects. We'll also be wrapping up Chapter 3-Introduction to Matter with our chapter test being on Monday, December 4th for the Blue section, and Tuesday, December 5th for White.

**Computers:** Students will be spending time doing research on a particular technology, and tracing the history of that technology with the creation of a timeline. Typing Club will also be used as students "fine tune" their keyboarding skills.
