

WEST CENTRAL MIDDLE SCHOOL

SIXTH GRADE

Ms. Tellinghuisen & Ms. Payne

<http://angelatellinghuisen.weebly.com/>

Reading: We're still chipping away at the short story Fine? during reading this week. We're continuing to look at the plot, as well as conflict. We'll be doing numerous activities to practice finding/analyzing plot events using this short story.

Language Arts: In language arts we will continue with the four types of sentences. Currently, students are writing plays using all four types of sentences. Later in the week we will more than likely have a graded assessment/quiz. Our next spelling test will be Friday.

Mr. Wolles

<https://sites.google.com/site/wollesushistory/>

History: This week we started a unit on Ancient Egypt. We are learning how to outline reading lessons to help with comprehension.

Language Arts: We will continue with our study of types of sentences. We will also be having a spelling test on Thursday over list 3.

Ms. Peters & Ms. Payne

<http://joancpeterswcms.pbworks.com>

Language Arts: Students learned about the four different types of sentences and are now creating an original play script using these four sentence types.

Ms. Harmon & Mr. Evans

<http://nicoleharmon.weebly.com/index.html>

Math: Students will working order of operations with word problems. We will have a study guide on Thursday/Friday with a test on Tuesday/Wednesday. Check google classroom and math notebooks for example problems. Please contact me if you have any questions.

Language Arts: We will be continuing to work on correcting errors in sentences, writing zone, and spelling with test on Monday. We are also working on a script for a sentence play.

Mr. Heck & Mr. Caffrey

<http://davidheck.weebly.com/>

Science: Students this week will be spending time learning how scientists measure. This will include terms such as significant figures and scientific notation. By using a website called Create a Graph, they will be creating a graph that depicts a particular "Top Five" statistic. We'll also be working with our first Gizmo: Measuring Volume.

Computers: Our next Digital Citizenship lesson will deal with cyberbullying. Students will continue to work on their keyboarding skills with Typing Club.
