

WEST CENTRAL MIDDLE SCHOOL

SIXTH GRADE

Ms. Tellinghuisen & Ms. Payne

<http://angelatellinghuisen.weebly.com/>

Reading: We will continue practicing our new reading strategy: paragraph shrinking. We'll still be studying Fears and Phobias by introducing the skill of writing summaries. Later in the week we'll move on to a magazine article called Face Your Fears where we will continue to practice the same skills.

Language Arts: In language arts we'll be creating Monster Limerick Poems. Students will be drawing monsters and writing a poem about those monsters focusing on the number of syllables in each line/rhyme scheme. Our next spelling test will not be until next Wednesday.

Mr. Wolles

<https://sites.google.com/site/wollesushistory/>

History: We are finishing up with our study of Egypt this week. The next civilization we will study is The Ancient Israelites.

Language Arts: This week we will be writing an essay from a different persons point-of-view. The writing is based on a story they read in reading class.

Ms. Peters & Ms. Payne

<http://joanpeterswcms.pbworks.com>

Language Arts: We are still working on nouns and also doing a creative writing assignment drawing monsters and writing a monster limerick in honor of Halloween.

Ms. Harmon & Mr. Evans

<http://nicoleharmon.weebly.com/index.html>

Math: We will have our first test on Oct 31 and Nov 1. We will also start working on ratios and comparing different types of numbers. Please let me know if you have any questions.

Language Arts: Students will be working on spelling, correcting errors in sentences (DOL), and identifying the different types of nouns. We will also be working on creating a monster limerick/poem in honor of Halloween.

Mr. Heck & Mr. Caffrey

<http://davidheck.weebly.com/>

Science: Students this week will be continuing to work with the concepts of matter. We'll be taking some time to see why a regular Coke can sinks, and a Diet Coke floats. Also this week, our second step of the the science fair process will be discussed-Review of Literature (research paper).

Computers: In computer class we'll begin our next project "Technology Timeline." Students will be choosing a particular technology and creating a timeline outlining the technology's history.
